February 12th, 2019

To whom it may concern:

Ryan Clarke has worked as a teacher at F.G. Miller Jr/Sr High School for the past six years. During that time, Ryan has taught Social Studies 8, 9, 10-1, 20-1 and 30-1.

Ryan is an excellent Social Studies teacher and his students find his passion for his discipline infectious. He puts a great deal of time into planning projects and developing quality lessons for his students. Ryan stays abreast of current affairs and local, national and international politics so he can inject relevant contemporary examples into his lessons. Ryan's grade 9 and grade 12 students consistently exceed provincial average on the achievement and diploma exams which serves as a testament to the quality of his teaching.

Ryan has been involved in several extra-curricular activities during his time at F.G. Miller School. He has coached our curling team, spearheaded the school yearbook, regularly participated in the government student vote program and also plans the yearly Remembrance Day Ceremony. Ryan also enjoys taking part in Karaoke lunchtimes in our school library. Ryan is always eager to help out where he can with school events and activities.

Ryan has a great attitude toward teaching and is certainly dedicated to the profession. He is a flexible and creative teacher who connects well with his students. He is an enthusiastic, passionate person with a perpetually positive attitude. Ryan is always open to guidance and is focused on improvement. In short, Ryan is a great role model for both our students and staff members. I am confident Ryan will be successful in any future endeavor he chooses. If you have any questions don't hesitate to call me at 780-724-3966.

Sincerely,

Mr. Colin Bjorkman
Principal
